Classroom Day Pass Field Trips

Transit Safety Presentations

MTS has a special transit safety program to teach riders how to be safe when ridiing the bus and Trolley. If you would like to schedule a transit safety presentation, contact Frank Amezcua at 619-595-4940.

Teacher Resource Manual

The 35-page resource manual provides teachers with information that can be adapted for the classroom to teach students how to: access San Diego's network of rail and bus routes as well as understand the other transportation options available in the region; read route maps and timetables; use the Compass Card on bus and rail routes; understand other benefits transit offers the community such as reducing congestion and air pollution and more! If you would like a copy, please mark the box on your reservation form.

SCIENCE & NATURE

San Diego Science Festival cascades over San Diego County in a week long celebration of science and engineering. Over 15 field trip opportunities during festival week and the *Grand Finale* on **EXPO Day** at PETCO Park. For up to date info, visit our website at: **http://sdsciencefestival.com/teachers-grades-K-12**.

Cost: All our events are free for the San Diego Community

When: Festival Week - March 16-23, 2013; EXPO Day at PETCO Park - March 23, 2013

Free Field Trips Offered Again for 2013!
For the third year, The San Diego Festival of Science & Engineering, Cal SOAP and Arts Bus Xpress are offering student groups **Free Travel** to Festival week events March 14 - 23 and EXPO Day on March 23, 2013 (for up to 1,000 students, ages 18 and younger and their teachers). To be one of the lucky groups to get free travel on MTS and NCTD bus, Trolley, Sprinter and COASTER, register your group early! To register, visit: **http://sdsciencefestival.com/teachers-grades-K-12**. (Free travel subject to space availability and ablility of group to travel on regularly scheduled bus, trolley and COASTER routes.)

Contact: Mariana Celestino at 858-858-455-0300 x104 or mcelestino@ucsd.edu

Wildlife Learning Adventures

The San Diego Zoo (located just one block from the Route 7 bus stop on Park Blvd. at Zoo Dr.) is proud to offer Free Admission for all students in San Diego County during the traditional school year (non-San Diego County schools receive a reduced admission fee of $6 per student). All schools pay $7 per person on weekends, holidays, and during the summer. Group reservations are required for these rates. Guided tours and classes are also for groups with advanced reservations. For more info, visit www.sandiegozoo.org/teachers/Field-trips.html.

San Diego Air & Space Museum (located just a couple blocks away from the Route 7 bus stop on Park Blvd and Presidents Way.)

The San Diego Air & Space Museum's exhibit galleries have a lifetime's worth of learning opportunities. The guided tours bring the stores of flight to life! The tours give visitors insight into the unique people, aircraft and spacecraft that made (and continue to make) history.

Cost: Discounted rate to student's and teacher for groups of 10 or more with advanced reservations

Free tours for **Title 1 Programs** if advance reservation is made
